Make a Username and Password

A Windows-style dialog box titled "NormalForm" with standard minimize, maximize, and close buttons. The dialog contains a Windows logo in the top-left corner. Below the logo are two horizontal blue input fields for a username and password. To the right of these fields is a square placeholder for a user profile picture, showing a white silhouette on a dark background. In the bottom-right corner of the dialog is a blue button with the text "Done!" in white.

Make a Username and Password

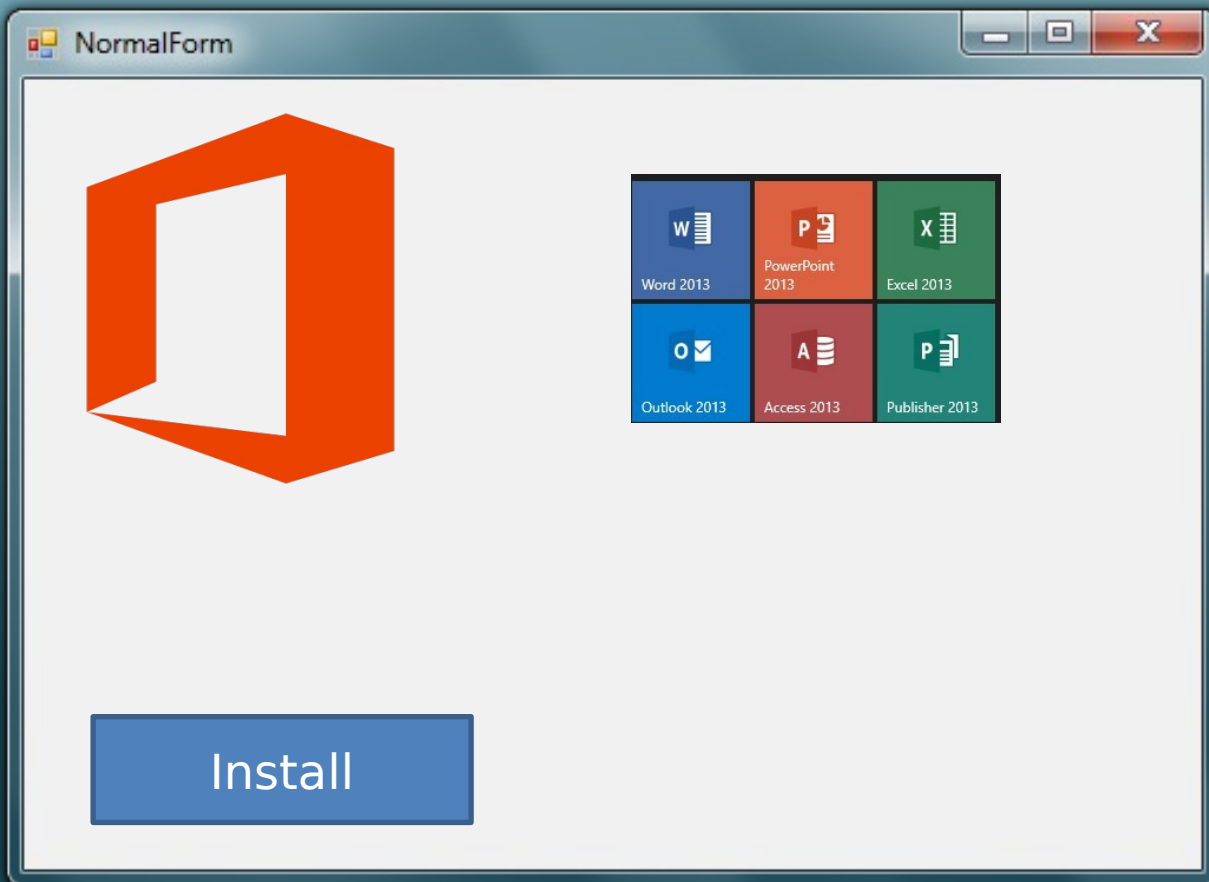

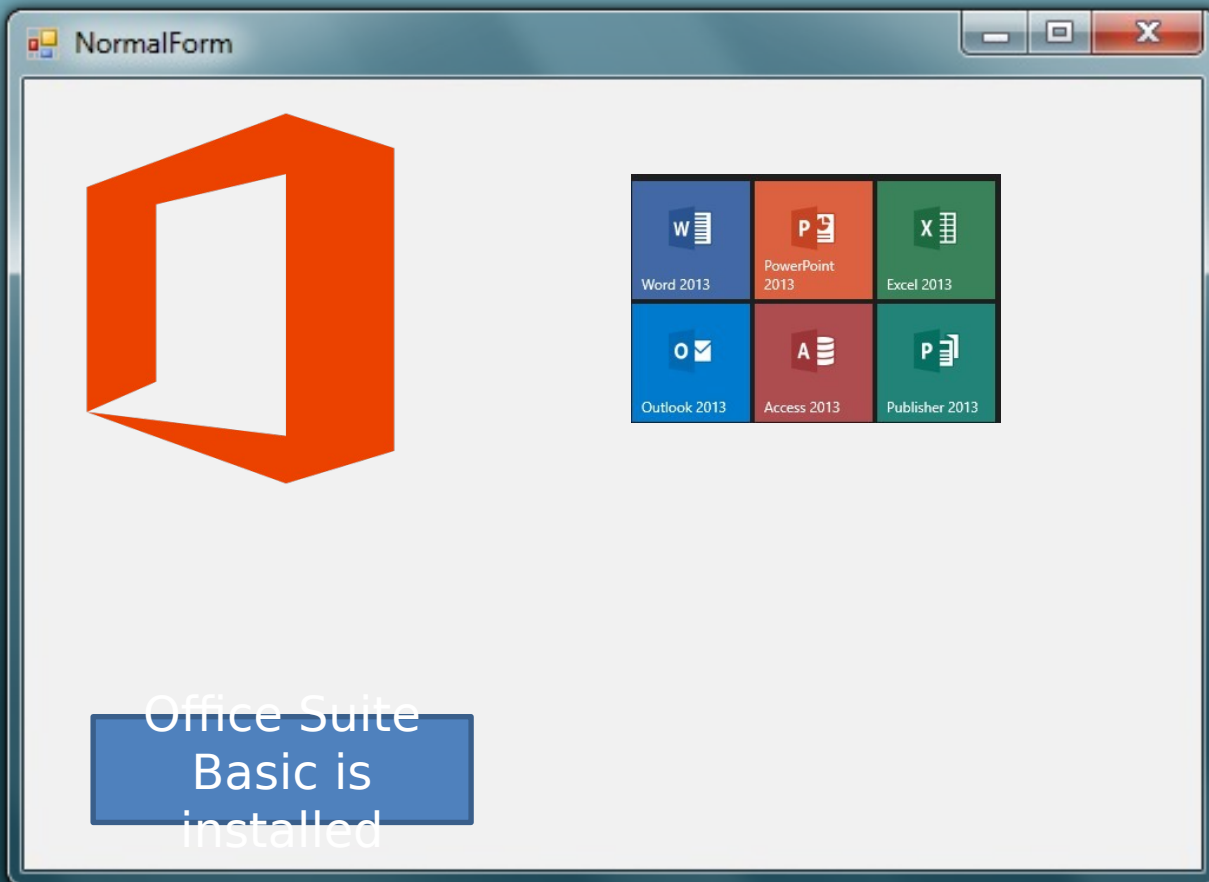

A screenshot of a Windows-style application window titled "NormalForm". The window has a standard title bar with minimize, maximize, and close buttons. Inside the window, there is a Windows logo in the top-left corner. Below the logo, there is a blue button labeled "Admin". Below the "Admin" button is a blue rectangular input field for a password. To the right of the input field is a placeholder for a user icon, showing a white silhouette of a person on a black background. In the bottom-right corner of the window, there is a blue button labeled "Done!".

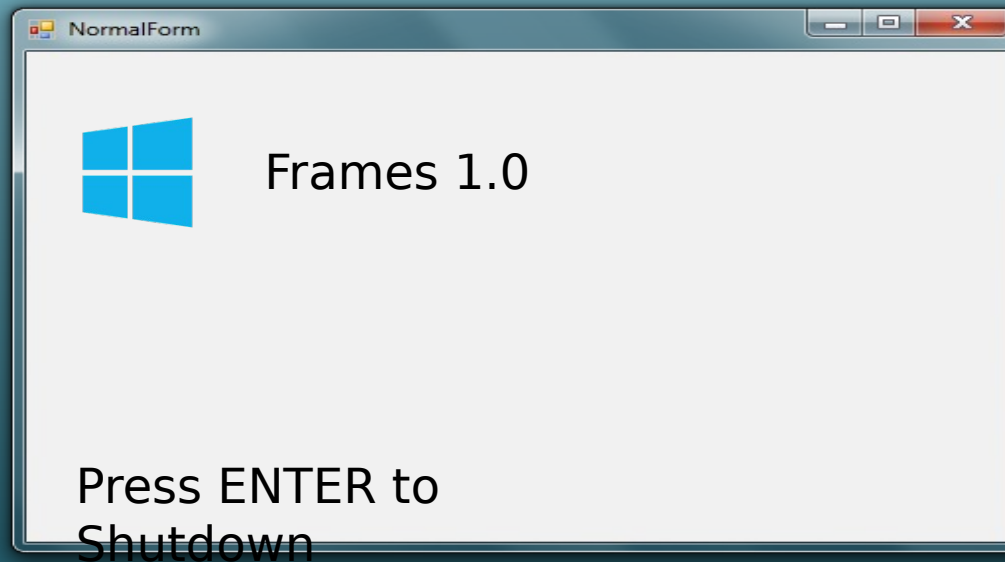

Thank you!
